

AWARD CATEGORY	FOCUS AREA	DESCRIPTION	WHO CAN NOMINATE
Surgical Technology Award	Innovation & Technology	Dedicated recognition for surgical instruments, theatre systems, and procedural equipment advancing safety and precision in operating rooms.	Surgical equipment manufacturers, healthcare technology companies

### ELIGIBILITY CRITERIA

- The participating organization must have completed at least one year of operations in India as of March 31, 2026.
- The nominated surgical instrument, theatre system, procedural equipment, or surgical workflow technology must have been launched, implemented, or validated between April 1, 2024, and March 31, 2026.
- The nomination must demonstrate improvement in surgical safety, precision, workflow efficiency, clinical usability, patient outcomes, or operating room productivity.

### IMPORTANT RULES FOR PARTICIPATION

- All questions must be answered. Incomplete forms will be disqualified and not shown to the jury for evaluation.
- In case the applicant does not have an answer for any question, please mention 'Not Applicable' in that question.
- The final eligibility of the nominees is subject to the terms & conditions of the India HealthNext Awards 2026.

### APPLICANT INFORMATION (FOR CORRESPONDENCE) \*

Name of Applicant (should be the authorized signatory)	
Designation	
Mobile Number	
Email ID	

### COMPANY / ORGANIZATION GENERAL INFORMATION \*

Name of the Organisation (same will appear on the trophy)	
Date of Incorporation / Registration	(DD/MM/YYYY)
Registered office address	City: _____ State: _____ Pin code: _____
Corporate / Group / Parent company to which the participating entity belongs, if any	
Organisation Type (Please select one)	<input type="radio"/> Hospital / Healthcare Provider <input type="radio"/> Healthcare Company / Manufacturer <input type="radio"/> HealthTech / Digital Health Company <input type="radio"/> Diagnostic / Laboratory Network <input type="radio"/> NGO / Government Body / Institution <input type="radio"/> Others - Please specify: _____
Company website	
Contact details	Telephone: _____ Email: _____

## CASE STUDY: ANSWER ALL QUESTIONS IN MAXIMUM 250 WORDS \*

(MENTION DETAILS IMPLEMENTED BETWEEN APRIL 1, 2024 - MARCH 31, 2026)

Name of the surgical technology / equipment (in not more than 50 words)	
When was the technology launched or implemented?	(DD/MM/YYYY or period)
Surgical Technology Area (Please select all that apply)	<input type="checkbox"/> Surgical Instruments <input type="checkbox"/> Operating Theatre Systems <input type="checkbox"/> Procedural Equipment <input type="checkbox"/> Robotics / Navigation Support <input type="checkbox"/> Energy Devices <input type="checkbox"/> Sterile Field / O.R. Workflow Products <input type="checkbox"/> Others - Please specify: _____
Regulatory / certification status	
Key surgical specialty use case	

1. Describe the surgical technology and the surgical safety, precision, procedural efficiency, or operating room challenge it addresses.

--

2. Share measurable results such as procedural adoption, surgeon feedback, safety improvement, operating time reduction, clinical validation, facility deployment, or market traction.

--

3. Explain how the technology can support safer, more precise, efficient, and scalable surgical care delivery in India.

--

## SUPPORTING DOCUMENTATION PROVIDED ALONG WITH THE APPLICATION

S No.	Document Name	Description of document
1	Incorporation / GST certificate *	
2	Product brochure, images, technical specifications, or demo documentation *	
3	Regulatory approvals, clinical / usability validation, deployment proof, or customer testimonials *	
4	Patent / IP documentation, if any	
5	Other supporting documents (if any)	

## DECLARATION BY THE APPLICANT \*

I declare that the information provided in this application form is correct, accurate and pertains to my business / organization / nominated initiative. I agree to abide by the rules and regulations of participation.
